

PLAN 1544

4 bedrooms, 2 baths, multi-purpose room, atrium, garage and carport.

SQUARE FOOTAGE: Living area 1741, Atrium 448, Garage 303, Carport 200. This plan provides imaginative fusion with the outdoors. The spacious atrium fills the home with daylight and sliding glass doors provide access to private gardens from the parlour, two bedrooms, multi-purpose room, and the kitchen.
